

# Mountain Meadow Quilt Guild Annual Quilt Show

The Village at Sunriver and the Mountain Meadow Quilt Guild will be presenting the 31st Annual Sunriver Quilt Show on August 3, 2019.

Over 200 quilts will hang throughout the Village in front of the stores and cafes. Quilts are for viewing, with some for sale. Mountain Meadow Quilters and The Village at Sunriver welcome vendors with unique, fun and unusual items that will complement the quilt show event. You will need to provide your own tent, tables, extension cords and power strips. As weather in August is unpredictable but usually hot, we advise all vendors to bring a tent and lots of water.

**We need to know in advance if you need electricity.** Vendors will share space near the skating rink, an area that has been made more inviting with recent renovations. We will make every effort to place you in an area you prefer. To help cover the costs of the maintenance personnel helping with the quilt show. This year vendors have an additional option available to them. You may purchase a single 10' x 10' space at our normal fee of \$50.00 or purchase three (3) spaces at \$50.00 and get a fourth space for free plus the ability to use display racks directly in front of your spaces out to five (5) feet.

We hope you will continue to be a part of this fun, exciting day. Please send in your payment by July 25th to: **Mountain Meadow Quilters PO Box 3254 Sunriver, OR 97707.**

**NOTE:** As always, your items must **not** compete directly with the current full-time businesses of The Village at Sunriver, or the handmade items sold by the Mountain Meadow Quilters Guild. Please complete the below information request and the enclosed Waiver of Liability and Assumption of Risk Agreement.
