brighten your
day!

CALENDAR

**All Meetings Cancelled
Until future notice.**

**Hopefully, we can resume in May.
Stay home, stay healthy and have
fun quilting!**

Thoughts from the President...

Well, Spring is finally here once again. I've successfully completed both of back procedures and am ready to begin working outside and finally getting back into our sewing studio to begin work on all the projects that I've spent the last six months thinking about.

We're facing some uncertain times at present. The board has been communicating by emails updating one another as the situation continues to evolve. While we're expecting additional timeframes for closures and meeting restrictions beyond the current ones currently in effect. We've announced meeting cancellations through the first half of April, we'll let all of you know if we need to cancel any additional meetings.

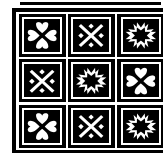

The Retreat has not been cancelled. It is anticipated, as I write this, that the government will extend the meeting restrictions beyond the May timeframe of the Retreat. Heidi Thaut and her team have worked very hard to put together this year's Retreat. They continue to work with the hotel with the aim that if restrictions continue beyond our Retreat dates, they will attempt to work out a postponement until next year at the same time. If you have questions, please call me at 541-536-1046 or email me at President@MountainMeadowQuilters.org.

Debra Ewing is working with our April speaker. I'm not sure at the moment if she will be rescheduled for later this year or perhaps next year. You can be sure that the Program committee will do what they can.

Lavelle Wallace, our newsletter editor, has suggested that members send in articles and photos discussing what you are doing during this period of isolation. Or, how about sharing one of your favorite recipes with the membership. You can make your submissions to mmqnewsletter@gmail.com. All submissions should be submitted by the 25th of the month to make the next issue release date.

Johnson, Joan Metzger, Kathy Shaker, Valerie Weber, Sarah Kaufman, Tammy MacArthur, Linda Saukkonen, Barb Lowery, Dolores Petty, Michelle McMicken, Marleen Fugate, Pat Jones, Dorothy Spain and Patty Gates.

PROGRAM MEETING

Joyce Gieszler, currently residing in Yakima, WA, was to present a humorous look at how to unburden yourself from Unfinished Objects (UFOs) at our April 14th meeting at the SHARC.

We hope to book her again once we can resume meeting together!

She will share proven ways to tackle those projects, along with a trunk show of results . . . with a few new ones thrown in for inspiration. Her presentation is called Start to Finally Finished!

SUNRIVER QUILT SHOW DONATIONS

It's the perfect time to look through your quilting materials, organize, and declutter. Please consider recycling your extra quilting books, magazines (from the past 5 years), quilt patterns, or fabric (for our fat quarters sale) by donating them for others to buy and enjoy. I will have a basket at each MMQ meeting (hopefully before too long!) for you to put your donated items. The items will be sold at the MMQ Mercantile at the Sunriver Quilt Show in August. Please contact me with any questions!

Christine Watkins, 832-970-4538.

BLOCK OF THE MONTH

BOM will continue once education meetings start again. In the meantime, enjoy the extra quilting time.

Lillian Arnold is turning 100!

Lillian Arnold, beloved founding member of MMQ, will celebrate her 100th birthday on May 22, 2020. In addition to the part she played in founding the guild, Lillian is solely responsible for starting the applique group that has been meeting for approximately 30 years. A few members of the applique group had hoped to visit Lillian in the Eugene area on her birthday, but at this writing, it looks doubtful that we will be able to go. Bevalee is putting out the call for as many birthday cards as possible to be mailed to Lillian to show our love and appreciation for all of her years of dedication to quilting and to our guild. Please send cards to:

Deb Ewing's Education presentation on

MAKING MULTIPLE HALF SQUARE TRIANGLES

(HSTs) USING the GRID METHOD - addressing how to make multiple HSTs at one time - more than 8 at a time - like 16 or 32 or even MORE! - will be presented at some time in the future. But if you were looking forward to using this method on a project in the near future, you can find a copy of her handout - with pictures and easy explanations and formulas - on the MMQ website at www.mountainmeadowquilters.org. Login and click on Forms & Quilt Tips at the top of the page. Then, under Quilt Tips at the bottom of the page, click on Technique of the Month. You'll find it there.

Best!

POTHOLDERS

Dorothy Spain will be bringing kits to meetings for you to pick from and complete.

The goal is 300 potholders. If everyone in MMQ made 2 potholders, we would reach

MMQ Business Meeting

Call the Meeting to Order: Mike Carriger called the meeting to order at 10:00 am.

Visitors: We had one visitor, Joanna Conrad from Bend.

Hospitality: Thank you to those who brought food.

Thinking of You's: Heidi Thaut's husband is in the hospital.

Announcements: Mike Carriger asked if there are any sign-up sheets to pass them around now and at the break it can be determined if they made it around the room. Mike stated that at this time there are no cases of Coronavirus in Central Oregon; there are cases in Portland, Seattle and Klamath Falls. Mike asked if you are running a fever, coughing or have a cold to not come to MMQ events. There is a chance in the future we may need to cancel meetings.

Next Board Meeting: The next Board meeting will be April 2 at 10 am at the Sunriver Library.

Proposed Amendments to Bylaws: Mike Carriger introduced Nancy Fischer who made a PowerPoint presentation on the proposed amendments to the bylaws. Mike asked that she be allowed to complete the presentation before asking questions. One question was asked. A motion was made and seconded to approve the proposed amendments to the bylaws. There was no discussion. A vote was taken and it was unanimous. The motion was approved.

Programs, Education and Flag Class: Debra Ewing stated that the April 14th program will be Joyce Gieszler from Yakima, Washington. She will be doing her lecture "Start to Finally Finished"...a humorous look at how to tackle and finish those UFO's.

Debra Ewing will be teaching the grid method of making a large number of HST's. She also mentioned that she will be teaching the quilt "Star Spangled" designed by Brick cottage Quilts after the March 24th education meeting.

Program: Debra Ewing then introduced Dorothy Spain, 2018 Master Quilter. Dorothy presented many quilts she has made over the years plus cross-stitch and wool applique.

Break

Approval of Minutes: The minutes of the February 11, 2020 business meeting were provided to the membership in the March newsletter. A motion was made, seconded and a vote was taken. The vote was unanimous. The Minutes were approved as presented.

(continued on next page)

Treasurer's Report: Mindy Wolfman gave her report: This is a very short report this morning; there's nothing much going on finance-wise with MMQ right now. We have collected dues from 121 members so far, which is very good, but still almost thirty members short of our goal of 150. Please remind your friends and neighbors to pay their MMQ dues for 2020; they don't have to be quilters to come to our meetings and enjoy our programs. The retreat committee is working hard to be ready for the big event on May 12 - May 14. Mindy will be sending out email reminders to all participants within the next week or so that final payments are due by March 31. And we still have a few openings in all classes, so email me or HeidiThaut if you're interested in participating! Currently we have \$7,800 in our checking account and \$13,500 in our savings account. Within the savings account, \$2,600 is reserved for future fixed asset purchases, and \$10,900 is designated for this year's retreat. A motion was made, seconded and a vote was taken. The vote was unanimous. The Treasurer's Report was approved.

Quilt Retreat: Heidi Thaut sent a note to Mindy Wolfman to read: we still have openings in the two classes; two openings in the landscape class with Cynthia England; and 6 openings in Maggie Ball's class. Cynthia's class requires a kit for \$37. The pattern for Maggie's class is \$6. Sit 'n Sew is full. Cost: \$250 for classes with teachers and the sit-n-sew is \$150. The Retreat opens on May 12 at 7:30 am so you can come early and set up. The guild meeting will be held at the River House with Maggie Ball doing a presentation and trunk show. There will be a one-hour break and then the retreat starts at 1 pm. There will be after dinner programs for both Tuesday and Wednesday night, which are optional. Tuesday is game night and Wednesday is Cynthia England's presentation and trunk show. The classrooms close at 9 pm. Retreat attendees will get breakfast and dinner. Box lunches will be available for purchase and there will be a room you can eat in. No outside food.

Service Projects: Denise Meese stated that the last sit-n-sew started eight quilts. The Quilts for Honor flight have been postponed until October due to Coronavirus. CASA is pending for donating quilts to.

Potholders: Dorothy Spain brought potholder kits. All potholders must have Insulbrite to go into our sales area. Dorothy layers potholders with backing, batting, Insulbrite and top = 4 layers. On March 31st they will be working on pet beds at Homestead Quilts from 10 am to 2:00 pm.

Sunriver Quilt Show: Sandra Henderson is co-chair with Bonnie Schaefer. Patty Gates will be our volunteer coordinator and is looking for a helper. In the next newsletter, there will be a list of volunteer opportunities. She is looking for someone to deliver posters to local quilt shops before the Central Oregon shop hop at the end of April.

Mercantile Workshops: The cord wraps mercantile class on March 26th has been cancelled. Holiday Party: December 8 at the Great Hall.

Newsletter The deadline for the April 1 newsletter is 3/25. Newsletter is posted to the website on the first of each month (except January 1).

Applique: March applique will meet at Bevalee Runner's. April applique will meet at Karen Padrick's.

Secret Pals: if your secret pal does not pick up their gift, please take it home. Mindy Wolfman volunteered to take Judy Johnson's secret pal gifts.

Show and Tell occurred.

Drawings Occurred.

Meeting was adjourned at 12:00 noon.

Respectfully submitted,

Nancy Fischer, Secretary

As for what I'm doing as we practice Social Distancing . . . I'm helping my sister, Cindy, care for our elderly parents who live across the street . . . AND caring for 3 of my grandchildren on Thursdays and Fridays while school is out. I care for Mom and Dad on Wednesdays, and the kids come Thursdays and Fridays. They all need care, so we are doing our best to keep everyone apart, to wash hands, have on freshly washed clothes that the kids haven't been exposed to when I go to my folks, and keep everyone as safe as possible under the conditions!

For fun, I'm working on a gift for our oldest grandson's high school graduation (so sad that no ceremony will take place, but so proud of his high school career)! He and his Grandpa Chuck (my hubby) have quite a bond, so I'm making a denim and flannel ragged quilt - made from a big stack Grandpa's Wrangler jeans I've cut up (I've been saving the jeans as they started to show wear over the past 5 years) and Grandpa's flannel shirts. (My hubby gave up a few shirts that really still had a lot of wear in them, but they would look great in the quilt and Anthony would remember his Grandpa wearing them . . . so Chuck gave them up! LOL!) Our daughter (his Mom) choked up when I told her about the quilt and said, "Oh, Mom! An heirloom! I want that quilt!" - and then she laughed through her tears. I'm glad she thinks that Anthony will love it.

I'm using 8" squares and $\frac{1}{2}$ " seams. It will be 7 rows across and 11 rows down in 8 different flannels plus the denim, so it will end up being 49" x 77" (I always like to make my lap quilts at least 72" (6 ft) so they cover your feet when you cover up in them - a suggestion my son made when I made a ragged quilt for him 25 years ago that didn't quite cover his feet). And no, it won't be random/scrappy. (Does this surprise you? LOL!) I plotted out every piece!

AND I'm going to make the CUTEST baby quilt (for no one in particular) called Pinwheels and Prairie Points - out of the Fresh As a Daisy collection by Maywood Studio. (You can download the pattern from the Moda Bakeshop at <http://www.unitednotions.com/MBS-pinwheel-baby-quilt.pdf>.
